Publication Ethics Statement

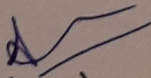

The manuscript entitled: A randomized, prospective study to compare the efficacy and safety of omega-3 fatty acids as add-on therapy to methotrexate versus methotrexate monotherapy in the management of moderate to severe plaque psoriasis

Name of the author(s): 1. Ankita Bedwal
2. Kavitha Rajaratne
3. T.N. Revathi

The author(s) declares that:

- The manuscript is original work of authors and free from plagiarism, falsification, and duplication.
- The manuscript has not been published before and is not currently being considered for publication elsewhere.
- The manuscript has been read and approved by all named authors and that there are no other persons who satisfied the criteria for authorship but are not listed.
- The manuscript does not infringe upon any copyrights.
- Authors are fully responsible for the content of this manuscript.

Thereby I make this statement to be used properly.
